Dear Mr. Nittler:

This will confirm your reception report of WOI on February 12, 1956.

SUNDAY VARIATIONS was the program in progress and that program concluded with a classical music feature. We did leave the air that day at approximately 5:08 p.m. following a quotation by Abraham Lincoln.

I am enclosing a copy of our current program schedule which you may add to your collection. Thank you very kindly for contacting us and I hope you succeed in picking up our signal regularly.

~~Sincerely~~,

Richard F. Vogl
